

It is our pleasure to introduce the '*Indian Virtual Angioedema Centre (IVAC)*' to HAE community in India. IVAC is an online platform that provides opportunity to seek consultations about diagnosis, management and all other aspects of this disease from experts in this field, that too, in many different languages.

Please use the link given below for more details about physicians, available slots and to book your appointment:

<https://ivac.haei.org>

***Please note that a slot can only be booked at least 24 hours prior to the time of actual consultation**
